Ref: EUHealth.net environment policy

As a company providing software and hardware solutions within the management and storage of healthcare data covering 27 EU countries sectors, and undertaking postal, telephone , online and voice surveys, we are committed to the following statements

- ✦ a commitment to continuous improvement.

- ✦ a recognition of compliance with relevant environmental legislation as a minimum level of performance.

- ✦ the education and training of employees in environmental issues and the environmental effects of their activities.

- ✦ we undertake an annual monitoring of progress and review of environmental performance on a regular basis, which covers, but is not limited to, transport, recycling of packaging materials , minimising waste , efficient use of water and energy , use of biodegradable chemicals , minimising use of solvents and lead-based paints , use of timber from sustainable (managed) forests , procedures to minimise noise disturbance to neighbours , phasing out of CFCs and ozone-depleting substances.

Legislation

Claridata Limited Environmental Policy is undertaken on a voluntary basis in the UK and the structure and content are, therefore, not regulated specifically by UK legislation.

A handwritten signature in black ink, appearing to read 'N. Jeffery-Sykes'.
